GENERAL INFORMATION

K-ACE is a neutral to basic, chloride-free, clear liquid solution, containing 25% potash. Each gallon contains 2.7 pounds of potash (K₂O). **K-ACE** has excellent foliar absorption characteristics.

K-ACE can be applied by drip, sprinkler or flood irrigation. It can be blended with other fertilizers or applied as a foliar treatment on selected crops. When used as a foliar fertilizer, **K-ACE** should first be diluted with water before acidifying.

K-ACE can be applied to a wide variety of ornamental, turf, greenhouse, and other agricultural crops. Potassium requirements for most crops increase dramatically during periods of rapid growth and fruit development.

DIRECTIONS FOR USE

K-ACE can be soil or foliar applied through ground or aerial applications. Use sufficient water for thorough and uniform coverage of foliage or soil. Foliar application is recommended when fast correction is desired. **K-ACE** will disperse in water with minimal agitation. Always check compatibility before mixing. Follow the mixing sequence: 1. Water; 2. **K-ACE**; 3. Pesticide.

Do not apply to foliage of any crop when temperatures are above 90° F. Apply **K-ACE** early morning or late evening.

RECOMMENDED RATES

The optimum rate and timing of application will depend on local conditions and should always be made as a result of soil and/or plant tissue analysis. Local climatic conditions, infestations and other factors affect the performance of any pesticide or nutritional spray, so consult with your local agricultural authorities for specific use information in your area.

WHAT TO DO IN CASE OF CONTACT

If Ingested:	Give large amounts of water or milk, if conscious. Contact a physician immediately.
Eye Contact:	Flush eyes with clean water for 15 minutes. Seek medical attention immediately.
Skin Contact:	Remove contaminated clothing and wash skin with soap and water. Seek medical attention if irritation develops or persists.
If Inhaled:	Move to fresh air and seek medical attention if irritation develops or persists.

For additional information call CHEMTREC 800-424-9300

If there is contact made with spray solution containing pesticides and/or spray adjuvants, follow the "Statement of Practical Treatment" on the product labeling.

This product may be corrosive to aluminum, mild steel and brass. Store in HDPE, fiberglass or stainless steel containers. Use only stainless steel, P.V.C. or polypropylene fittings.

Storage: Store in a cool place in original container in a locked storage area inaccessible to children, pets, domestic animals or wildlife.

Container Disposal: Do not reuse empty containers. Triple rinse (or equivalent) then offer for recycling or disposal by procedures approved by state or local authorities.

CONDITIONS OF SALE: Big Bend Agri-Services (Company) warrants that this product conforms to the chemical description of the label and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal use. This warranty does not extend to the use of this product contrary to label instruction, or under abnormal use conditions, or under conditions not reasonably foreseen by the company. **THE COMPANY DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF FITNESS OR MERCHANTABILITY. THE COMPANY SHALL NOT BE LIABLE FOR CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, AND THE COMPANY'S SOLE LIABILITY AND BUYER'S AND USER'S EXCLUSIVE REMEDY SHALL BE LIMITED TO THE REFUND OF THE PURCHASE PRICE. BUYER AND SELLER ACKNOWLEDGE AND ASSUME ALL RISKS AND LIABILITY RESULTING FROM HANDLING, STORAGE AND USE OF THIS PRODUCT. THE COMPANY DOES NOT AUTHORIZE ANY AGENT OR REPRESENTATIVE TO MAKE ANY OTHER WARRANTY, GUARANTEE OR REPRESENTATION CONCERNING THIS PRODUCT.**
